This Aprina Cookie Policy ("Policy") outlines the policy, practices and types of cookies that Aprina Chain B.V., and her subsidiaries and affiliates ('Aprina", "we," "us," or "our") may use to improve your experience when visiting our Websites. For the purpose of this Policy, capitalized terms used but not defined in this Policy have the meaning given in our Privacy Policy.

When you visit our websites, domains and/or products ("Websites") we use cookies, as well as other technologies such as pixels, web beacons, and other identifiers (collectively referred to as "cookies") to improve your browsing experience and to analyze website usage. In this Policy you can read which information is collected and what it is used for. In addition, we provide an explanation of what you can do if you want to change your cookie preferences.

What are cookies?

Cookies are pieces of data, normally stored in text files that Websites place on your device to store information. Cookies allow websites remember information about your visit, such as:

a. Login name or settings.
b. Your preferences so you only have to enter them once.
c. Tracking surfing behavior to optimize the Websites for visitors.
d. Tailoring content and advertisements to your area of interest.

This information can make your next visit more convenient, because the Website is more useful to you, and will improve your overall experience on the website.

Types of cookies

Our Websites may use the following types of cookies:

a. **Strictly necessary cookies:** These cookies are essential for the website to function properly and cannot be turned off. They are usually set in response to your actions on the site, such as filling in forms or setting your cookie preferences.

b. **Analytical/performance cookies:** These cookies allow us to recognize and count the number of visitors to our website and to see how visitors move around the site. This helps us improve the way the Website works, for example, by ensuring that users find what they are looking for easily.

c. **Functional cookies:** These cookies allow the Website to remember choices you make (such as your user name, language, or the region you are in) and provide enhanced, more personalized features.

d. **Targeting/advertising cookies:** These cookies help our Website to deliver advertisements that are more relevant to you as user. Advertisers will place these cookies on our Website with our permission. The information the cookies gather on you can be shared with other advertisers to measure the performance of their advertisements. Additionally, another purpose of targeting and advertising

cookies is to build user profiles from visitors to the Website to gather statistics on the performance of the advertisements. These cookies may be third-party, persistent cookies. This means that the cookies may follow the user as they visit other websites.
